## Attachment A

On January 15, 2020, a Texas Department of Public Safety (DPS) trooper, conducted a traffic stop on tractor trailer that was observed committing a traffic violation. During the traffic stop, the driver of the tractor trailer, identified as Luis Enrique VAZQUEZ De La Cruz, presented DPS troopers with two separate bills of lading, one in English stating the cargo was used cloths, toys, and purses, the other in Spanish stating the cargo was bulk cotton. VAZQUEZ gave DPS consent to search his tractor trailer. During the consensual search, DPS troopers discovered a large quantity of foreign produced cigarettes inside the trailer. After the discovery of the cigarettes, DPS troopers contacted Homeland Security Investigations (HSI) in McAllen, Texas to request assistance with the illegal cigarette smuggling investigation.

On January 15, 2020, an HSI Special Agent (SA) advised VAZQUEZ of his Miranda rights, VAZQUEZ stated he understood his rights and voluntarily waived them orally and in writing. VAZQUEZ made the following non-verbatim statements that have been paraphrased and may not be in the order in which he gave them

VAZQUEZ admitted he had knowledge that it was illegal to export the large quantity of cigarettes, whose value exceeded 10,000 US dollars, into Mexico. VAZQUEZ stated he he was not going to declare the cigarettes to United States (US) Customs and Border Protection at the port of entry. VAZQUEZ stated he had smuggled cigarettes and contraband clothing into Mexico on numerous occasions.

VAZQUEZ stated that during the cigarette smuggling attempt he was being guided by an individual acting as a scout. VAZQUEZ stated the scout was going to guide him from the U.S. to Mexico. VAZQUEZ believed that Mexican customs officials were being paid to not inspect his vehicle. VAZQUEZ stated on previous occasions, after arriving in Mexico, he would be followed by members of a Mexican Drug Trafficking Organization that were responsible for confirming that they had been paid to permit the passage of his vehicle through DTO territory to Camargo, Mexico.

A further inspection of the cigarettes in VAZQUEZ's cargo revealed that a quantity in excess of 10,000 cigarettes bore no evidence of the payment of

Federal or Texas state cigarette taxes. The estimated number of cigarettes found in VAZQUEZ's possession exceeds 17,000,000 cigarettes.
